NOTIFICATION.

Simla, the 15th September 1930.

No. F. 3 (XIV)-F/30.—In their Notification No. F. 13(6)-F/29, dated the 15th July 1929, the Government of India promulgated certain revised rates for the issue of Post Office Cash Certificates, which raised the yield thereon so as to correspond with their borrowing rate for the year 1929. Owing to a further increase in the rate at which the Government of India borrowed in the open-market during the current year, they have decided to increase the yield on Cash Certificates to a corresponding extent with a view to maintaining the popularity of this form of investment. The amounts repayable on the certificates of the different denominations issued on or after the 15th September 1930 will be as shown in the following table:—

2. Under paragraph 2 of the Government of India, Finance Department Notification No. F. 6-F., dated the 15th March 1926, holders of Cash Certificates issued prior to the 1st April 1926 were allowed, at their option, to hold them for a further period of five years after maturity obtaining a return of Rs. 13 at the end of the tenth year on a Cash Certificate of the minimum denomination of Rs. 10. This concession will no longer be attractive in the case of certificates which mature on or after the 15th September 1930 as the holders can obtain a higher yield by cashing them and

reinvesting the proceeds at the rates prescribed in paragraph 1 above. The Government of India have therefore decided that holders of Cash Certificates which mature (i.e., complete the five year period) on or after the 15th September 1930 and before the date from which the rates given in paragraph 1 above may be revised should be allowed, at their option, to hold them for a further period of five years after maturity earning interest thereon at the rate of 2 annas (on a Cash Certificate of the minimum denomination of Rs. 10) for every completed three months during the first three

years after maturity and 3 annas for every completed three months during the next two years with an additional bonus of 6 annas at

the end of five years. The amounts repayable from time to time are given in the following table:—

THE Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the fund are—(1) that widowed daughters incapable of remarriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominee predecease them after five years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India, and his report discloses very favourable results. For forms of application and rules of the Fund apply to the Accountant-General, Bengal, Imperial Secretariat Buildings, Calcutta.

DISTRICT REPORTS ON WEATHER AND CROPS.

For the week ending on the 1st October 1930.

Summary.—During the week the rainfall was moderate in West Bengal and in the Chittagong Division and generally light elsewhere. More rain is urgently needed to facilitate the growth and development of winter paddy; prospects, so far, are fairly satisfactory. Preparatory tillage for early spring crops has begun in places. Distress continues in parts of Malda, where test work still remains unattended for low wages. A sum of Rs. 205 and two maunds of grain from charity fund have been distributed among 250 persons. The average price of common rice for the province has fallen by about 0.19 per cent. as compared with that of the previous week.
